

Agriturismo Fontecastello

Dear Guest,

according to the 60° decree of Tuscany Region in order to protect people's health within accommodation facilities and guarantee the safety we have apply the following covid19 restrictions:

- **The entry to our agriturismo is not allowed** if you have temperature > 37,5° or other flu symptoms; if you tested positive for covid19 or if you are in the period of quarantine; if you have been in contact with a case of covid19 in the last 14 days.
if the symptoms start after entering facility you must promptly inform us at the reception and contact the health authority. Waiting for the doctor you must wear a face mask and stay together with your family inside of your room and not have social contacts with other guests.
- Keep in all common internal and external areas **a safe distance of 1mt better 1.80mt** according to the Tuscany Region
- **You must wear a face mask in all internal common areas**
- You must wear **a face mask in all external common areas** when you are in contact with other people or in case you cannot keep a safe distance of 1.80 mt
- To guarantee the safe distance each apartment has it own parasol. **It is not possible to move the sun loungers from their position.** As from regulation each parasol and sunbed will be disinfected and sanitized at the end of every day. For this reason is not possible to change the sun bed during the day.
- It is mandatory for the parents to **supervise their children** in order to respect the safe distance and all hygiene rules
- **The swimming pool allows a limited number of visitors.** Each person has to keep **a safe distance in the water of 7mq.** For this reason **the maximum capacity of the swimming pool is 10 people all together.** Each guest must respect the safe distance for his own security and of others
- **Before entering the water it is necessary:**
 - To shower with soap**
 - Disinfect hands**
 - Wear a swimming cap**
 - It is forbidden to dive and run around the swimming pool**
 - It is forbidden to spit, blow the nose and to pee inside**
 - For the young children it is necessary wear swimming diapers.**

All the common areas will be disinfected and sanitize at the end of every day.

Please the day of departure **respect the time of check-out (8.00/10.00)** in order to let us to carefully clean the apartments and rooms and sanitize each one with ozone.
